Verse 2

With every step, with every thought,
As questions come to mind,
As fears shout out, we need not doubt,
We're held in the Father's hand.

Verse 3

New things to learn, new friends to make,
As the world we know expands,
Exploring what's new; walking our road
We're held in the Father's hands

Verse 4

If we face times when we seem caught
In events we had not planned,
When things get rough; we've had enough,
We're held in the Father's hands.
