

Ideas for praying creatively

'Thank You' jars

Decorate jars together - you can use glass paint, stickers etc. Somewhere on each person's jar should be the work 'thanks.'

Give each person a small pad or a sticky note pad. Encourage them to write on the first page something they would like to thank God for.

Then they can tear it off and put it in the jar. As they place the paper in the jar, they can say 'Amen' or 'Yes.'

They can take the jars home and do this each day or you could use these each week when you meet.
