

# I once had 100 sheep

Greg Leavers

I once had lost a hundred sheep, but one of them  
What was lost has now been found, I think it's par -  
6 has gone. I'm sure you've guessed that  
ty time, Loads of food, it's  
11 I won't rest, un - til it's safe back home, so  
going to be good, to ce - le - brate my find.  
17 I'll go loo - king high and low, and leave the nine - ty - nine,  
Je - sus came to seek and save, to seek and save the lost,  
23 in their pen till I don't know when, this  
For each one found, there's a joy - ful sound, as  
29 lost sheep I must find. Loo - king North, there's a horse,  
34 loo - king South, there's a mouse, loo - king East, some sort of beast,  
38 loo - king West, I might have guessed, Where it's steep, I see my sheep,  
42 gives a bleat, no food to eat, on a ledge all on its own, I'll fetch it down  
47 and head for home! Hea - ven's par - ty rocks!
